

COTTAGE CATTERY P/L

84 Holmead Rd, Eight Mile Plains.

Hi Vince,

Thanks for the opportunity to try your "Nature One" cleaning products –

Heavy Duty Cleaner – now in regular use. Great for cleaning up 'accidents' and eliminates left behind odors at the same time.

Odor Eliminator – we use for large area refreshing, doesn't overpower at all.

Hand Sanitiser – We carry this with us all the time. Particularly useful recently when caring for a sick animal, we could sanitise in a few seconds and eliminate cross infection.

Once Again, thanks for products that perform to expectation.

Ray Kretschmann,
Owner, Cottage Cattery.
