Dear Sir/Madam,

Just wanted to say what a great product you have 'Nature one Taxi Maxi Odour Eliminator'. I bought it at yellow cabs a few weeks ago and it's great. I like the idea that it's all natural & it really does eliminate all those unpleasant odours in the cab.

Well done, I'll be recommending it to all.

Yours sincerely

Dear Loretta,

Hey thanks heaps for the window cleaner & hand sanitiser - both also excellent products. I went

out to the cab and tried it straight away. (window cleaner)

And because I drive a maxi, my hands get so dirty, so thank you very much.

I'm sure you guys will do so well with your business, I sure will be telling others about it!

Yours sincerely,

Chris Cauchi
